**To Whom It May Concern:**

This letter is my personal recommendation for Greg Barton.

Until just recently, I have been Greg's immediate supervisor for several years. I found working with him to be pleasant, tackling all assignments with dedication.

Besides being fun to work with, Greg can be a take-charge person who is able to present creative ideas and communicate the benefits. He has successfully helped to develop marketing plans, campaigns and websites that have resulted in increased growth and visibility for our company.

In addition to being an asset to our marketing efforts, Greg was also extraordinarily helpful in other areas of the company like IT, coordinating and attending tradeshows and restoring the effectiveness of our email campaigns.

I would highly recommend Greg for any position that he may pursue. He is a good team player and he would make a great asset to any organization.

Sincerely,

A handwritten signature in black ink, which appears to read "Nadeem Sayed". Below the signature, the date "9/24/2012" is written in the same ink.
